All vendors are responsible for their own liability insurance. The BMA's insurance does not insure an individual vendor. The Village of Brockport carries liability insurance which protects the municipality from it's liability during events such as the annual Sidewalk Sale and Street Faire. Likewise, the Brockport Merchants Association carries a \$1,000,000 liability policy to protect itself during the festival. However, it is expressly understood by each of the participating merchants and /or participants that the above mentioned policies do not protect vendors individually from liability, and it is the vendors obligation to see that they are protected by their own insurance. Participating merchants and/or participants agree not to hold the Village of Brockport or the Brockport Merchants Association responsible for acts of negligence performed by individual merchants and/or participants.

Please sign that you have read the above and agree to the terms.
